

## FACTS ABOUT GUMMI KING™ VITAMINS

### ANTI-OXIDANTS

Anti-oxidants have numerous important health benefits in their role in boosting the body's defense against oxidation by fighting damage caused by excess free radicals, which are byproducts of normal cell metabolism.

Fiber is essential for healthy body as well, contributing to an effective digestive system and cardio-vascular health. The fiber in Gummi King™ gummies is derived from a variety of whole grains and fix, providing both soluble and insoluble dietary fiber.
